- a. Principal amount of the loan
- b. Interest (incl. interest on overdue EMIs, if any)

The payment made by customer will be adjusted against the oldest unpaid overdue as per the above mentioned appropriation logic. Overdue includes unpaid Pre-EMI, Equated Monthly Instalment (EMI), Penal Charges, Other Charges incl. Cheque Bounce or Any Other Charges.

This means oldest overdue Pre-EMI / Equated Monthly Instalment (EMI) / Penal charge / Other charges would be settled first on receiving any payment from the customer.

The above mentioned clause is also applicable for any payment received by the bank towards NPA loans.

Notwithstanding anything to the contrary contained herein, the parties agree as follows:

- a. The Reserve Bank of India, vide Circular dated August 18, 2023 "Fair Lending Practice - Penal Charges in Loan Accounts", issued instructions ("RBI Instructions") regarding quantum and levy of Penal

I/we, agree that any delay or omission by the Bank in exercising any of its rights, powers or remedies as the lender of the loan under this Agreement and other documents pursuant hereto shall not impair the right, power or remedy or be construed as its waiver or acquiesce by the Bank. I/we, confirm that this Agreement and its Schedules and any other documentation pursuant to it represent one single agreement between the Parties.

Any notice or request required or permitted under this Agreement to be given by either party to the other shall be only in writing and sent on the address of the other Party as mentioned in the key fact sheet (or in case to the Borrower, on the address of the Borrower last known to the Bank):

1. 2. If given by the Borrower to the Bank when it is actually received by the Bank.

Borrower(s) agree(s) to keep bank account (details of which the Borrower(s) has/have submitted to the Bank for setting up the Standing Instruction/NACH Mandate to recover the EMI/Instalment) adequately funded at least one day prior to the repayment/EMI due date. Borrower(s) understand(s) and agree(s) that if the Borrower(s) fail (s) to fund the bank account as aforesaid and the Standing Instruction/NACH Mandate fails to be honoured on the repayment/EMI due date, Bank shall be at liberty to levy applicable charges as per the Loan Agreement in addition to the other rights available to the Bank under this Loan Agreement and applicable law/regulatory guidelines.

RBI vide its guidelines (reference no. RBI/2021-2022/125 DOR.STR.REC.68/21.04.048/2021-22) on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning, pertaining to Advances - Clarifications' dated 12-11-2021 has clarified and/or harmonized certain aspects of the extant Regulatory guidelines. The Borrower agrees, undertakes and confirms that the Bank has brought the following clarifications to the notice of the Borrower and the Borrower confirms of having been apprised of as follows:

Bank will deduct my/our EMI and other repayment/charges in terms of my Term Loan account on 5th or 10th of every month as per loan account opening date as mentioned in the Schedule of Charges. I understand that if I do not pay my EMI on the above-mentioned date, my account will be considered as 'Overdue' from the end of that date. My frequency of repayment shall be at monthly rests.

Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

- **Dues:** shall mean the principal / interest / any charges levied on the loan account which are payable within the period stipulated as per the terms of sanction of the credit facility.
- **Overdue:** shall mean the principal / interest / any charges levied on the loan account which are payable but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the bank under any credit facility is 'overdue' if it is not paid by the due date fixed by the bank.
- **Relevance of the principle of 'First In First Out' (FIFO) in appropriation of payments into the Borrower's account:** The principle of FIFO i.e. 'First In, First Out' accounting method is relevant to arrive at the number of days overdue for determining the SMA/NPA status. The FIFO principle assumes that the oldest outstanding dues in the loan account needs to be cleared first. The FIFO method thus requires that what is due first must be paid by the Borrower first. For example, if in any loan account as on 01-02-2021, there are no overdue and an amount of INR X is due for payment towards principal instalment / interest / charges, any payment being credited on or after 01-02-2021 in the loan account will be used to pay off the dues outstanding on 01-02-2021. Assuming that nothing is paid / or there is partial payment (INR Y) of dues during the month of February, the overdue as on 01-03-2021 will be INR X - INR Y. Additionally, an amount of INR Z becomes due as on 01-03-2021. Now any payment partial payment into the account on or after 01-03-2021 will be first utilized to pay off the partial due of 01-02-2021 (INR X - INR Y). If there is more recovery than the INR X - INR Y, then after recovering dues of 01-02-2021, the remaining amount will be treated as recovery towards due of 01-03-2021.
- **Age of oldest dues:** The age of oldest dues is reckoned in days from the date on which the oldest payment is due and continues to remain unpaid. In the aforesaid illustration, if the dues relating to 01-02-2021 remain unpaid till 01-03-2021, the age of the oldest dues is reckoned as 29 days on 02-03-2021.
- **Lending institutions will recognize the incipient stress in loan accounts, immediately on default, by classifying them as Special Mention Accounts (SMA). The basis of classification of SMA / NPA category shall be as follows:**

Loans other than revolving facilities		Loans in the nature of cash credit/overdraft	
SMA Sub categories	Basis for classification - Principal or interest payment or any other amount wholly or partly overdue	SMA Sub-categories	Basis for classification - Outstanding balance remains continuously in excess of the sanctioned limit or drawing power, whichever is lower, for a period of:
SMA 0	Up to 30 days	NA	NA
SMA 1	More than 30 days and Up to 60 days	SMA 1	More than 30 days and Up to 60 days
	More than 60 days and Up to
